

WEL-Home Health Miles City Receives 2021 Customer Experience Award from Pinnacle Quality Insight

MILES CITY, Montana – WEL-Home Health, a Miles City-based provider of home health services, is proud to announce that they are the recipient of Pinnacle Quality Insight’s 2021 Customer Experience Award™. Qualifying for the award in the categories of Communications Between Providers and Patients and Recommend this Agency to Family or Friends, WEL-Home Health displays a continued dedication to providing Best in Class senior healthcare services.

Home Health Director Marlus Amsden of WEL-Home Health describes receiving the award as an honor, “We are grateful for the recognition of our ability to provide quality in-home care for our patients,” she said. “We appreciate the recognition from Pinnacle and the positive feedback we’ve received. We will build on our success going forward.”

Throughout its history of serving the community, WEL-Home Health has placed a strong emphasis on ensuring that the individual needs of every patient are met. Over the course of 2020, a sampling of WEL-Home Health’s customers and their families have participated in monthly telephone interviews that include open-ended questions, as well the opportunity to rate WEL-Home Health in specific categories.

Every month, WEL-Home Health has gathered its real-time survey results to gain a better understanding of the patients’ needs and make improvements when necessary.

By qualifying for the Pinnacle Customer Experience Award™, WEL-Home Health has satisfied the rigorous demand of scoring in the top 15% of the nation across a 12-month average. Clients have the opportunity to achieve this Best in Class distinction on a monthly basis in many categories designed to accurately reflect each patient’s experience.
